

Fundraising

Last Updated Wednesday, 17 September 2008

Opportunities for fundraising will be available to all players. Merchandise sales, and other fundraisers will occur throughout the season. Sponsorships may also be used as fundraising.

A number of assistance programs are available to players:

- Scholarships are available from Premier Volleyball Club for up to \$200.00 per player based on financial need
- RMR/USAV will also have scholarships available to those who qualify based on financial need
- We also have a program where local companies and organizations can provide financial assistance.

All required paperwork for individual hardship assistance must be submitted to Premier VBC and the RMR office by January 15.
